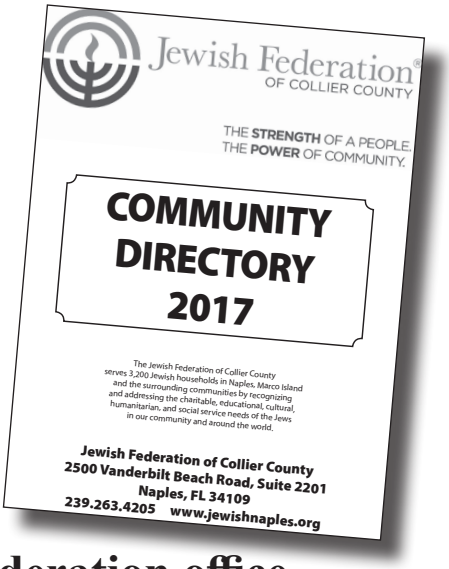
Jewish Community Directory

Our Jewish community continues to grow. To help everyone keep in touch with one another, your Jewish Federation of Collier County will be publishing the **2017 Community Directory**. Free copies will be made available to all. But first...



We need your help!

We're gathering information now so we can distribute the new Directory in December 2016.

- **If your information has NOT changed** from what appears in the 2016 edition, **you do not have to do anything.** We will print the same information in the next edition.
- **If your information has changed, or if you are not listed in the 2016 edition,** complete and return this form by mail or by fax. All requested information is optional.
- **If we do not hear from you by October 31,** we will assume we have your permission to publish your name(s) and contact information as we currently have them in our files.
