- Each Successor may act independently OR
- All Successors must act jointly OR
- Divide remaining assets evenly to establish separate funds for each Successor

SUCCESSOR CHARITY. If you do not wish to name a Successor Recommender, you may recommend one or more IRS-qualified public charities, or you may choose a combination of both. If you choose both, please attach a letter describing the succession plan you would like to establish for your fund indicating what percentage will go directly to charity and who will serve as Successor Recommender(s) on the balance of assets in the fund. (You may attach additional sheets if necessary.) This may be modified in the future.

Please note: JCF is unable to make grants for non-charitable purposes; to private foundations, private operating foundations, individuals, or overseas organizations, although grants may be made to U.S. public charities that support overseas charitable activities. H. INVESTMENT ALLOCATION

Information about the investment objectives and performance of JCF Pools (Equity, Fixed Income, Managed and Money Market) is available at www.jcfmetrowest.org or from JCF.

Generally, fund holders are limited to two investment allocation changes per fiscal year (July 1 to June 30) in the Equity, Fixed Income and Money Market Pools. Any fund holder opting to allocate funds to the Managed Pool should first have appropriate allocations to other JCF Pools (Equity, Fixed Income, Money Market) or other more liquid assets, allowing for appropriate liquidity to meet distribution needs, and must first review the Managed Pool Disclosure Statement below.

NOTE: Please select your allocation in increments of 25% (e.g., 25% Fixed Income & 75% Equity). Allocations among the Equity, Fixed Income and Money Market Pools must total 100%.

Managed Pool Allocation: \$ _____
(enter dollar amount here; minimum of \$250,000)

I. MANAGED POOL DISCLOSURE STATEMENT (FOR MANAGED POOL ALLOCATIONS ONLY)

The JCF Managed Pool attempts to provide a return that is equal or superior to a 60% equity / 40% fixed income portfolio at a lower volatility over an entire market cycle. Most "community funds" of the Jewish Community Foundation of Greater MetroWest NJ are invested in the Managed Pool.

JCF Donor Advised Funds (DAFs), Supporting Foundations and Custodial Accounts are permitted to make investments in the Managed Pool, but recommenders to such funds and trustees of such foundations should be aware that such investments should be viewed over a long time horizon. The Managed Pool's profile and liquidity limitations indicate that it best serves funds designed to be perpetuities or endowments – funds from which no more than income is to be distributed annually.

Any DAF, Supporting Foundation or Custodial Account holder opting to allocate funds to the Managed Pool should first have appropriate allocations to other JCF pools (equity, fixed, money market) or other more liquid assets, allowing for appropriate liquidity to meet distribution needs.

A DAF, Supporting Foundation or Custodial Account will be permitted to invest in the Managed Pool based on the following guidelines:

1. A minimum initial contribution of \$250,000 is required to invest in the Managed Pool. The balance may dip below this amount based on investment performance.
2. No distributions shall be made from the Managed Pool in the first year of investment. After that period, distributions from the pool are permitted, but are subject to limitations, as listed below.
3. No more than 25% of the original unit shares invested in the Managed Pool may be distributed in any one 12-month period. For example: a fund invests \$250,000 in the pool at a value of \$25 per unit. Thus, the original investment is 10,000 units of the Managed Pool. In the future, a maximum of 2,500 units (25% of 10,000 units) may be sold/distributed from the pool in any given 12-month period, no matter what the dollar value of the pool may be at that time.
4. Due to the diversity of the Managed Pool's investments and its varying liquidity needs, advance notice for distributions from funds invested in the Managed Pool is requested, but not required.

If you would like to invest in the Managed Pool, please complete the allocation amount in Section H above and sign your initials in the box below to indicate your understanding and acceptance of the foregoing terms.

K. ACKNOWLEDGMENTS (please check all boxes)

- I acknowledge that I have reviewed the Frequently Asked Questions, JCF Fee Schedule and, if applicable, the Managed Pool Disclosure Statement, and agree to their terms and/or conditions. I certify that all information in this application is accurate and complete and I will notify JCF of any changes.
- I acknowledge that if the donors have elected to act independently, each donor has the right to name the fund, recommend grant distributions, recommend investment alternatives, and designate recommenders and successors unless and until all donors notify JCF to the contrary. There may be circumstances in which JCF may, in its discretion, forego taking any further action with respect to the fund and require the donors to provide joint instructions going forward.
- I understand that if no successor recommender or successor charity designation is on file at the Jewish Community Foundation as indicated in section D, at the time of my death or the death of the last recommender, the income and principal remaining in the fund will be transferred to JCF. The JCF Board of Trustees will assume responsibility for distributing income and principal from the remainder.
