

DONATE YOUR WAY

The Unrestricted Pledge is equivalent to any undesignated gift made to the Federation Annual Campaign in the past. The donor believes that the Federation is best positioned, through its Allocations Committee, to distribute campaign dollars in the most efficient and equitable fashion in support of the entire Jewish community.

The Israel/Overseas Pledge is designated for overseas needs including our Collective Overseas Allocation (unrestricted funding to the Jewish Agency, JDC and World ORT) and our Elective Overseas Allocations (for additional projects selected by the Allocations Committee representing local interests and values).

The Support for Human Needs Pledge addresses traditional social services such as counseling, senior services, emergency cash assistance locally and hunger/poverty programs both at home and overseas.

The Jewish Education and Identity Pledge includes all formal programs that educate members of the Jewish community from early childhood through adult education (including Hebrew Day School) as well as informal education and Jewish identity programs such as Hillels, Jewish summer camps, Israel trips, cultural events and Partnership2Gether programming with our Israeli sister- community, Nahalal.

Your feedback matters.
