

# Campaign Chairs and Directors Mission July 13-20, 2015

## FAQ

### Why CCD?

A CCD mission is the best investment you can make to ensure the success of your campaign. You'll return with impactful stories to tell, new skills acquired from the training sessions, ideas from other communities, and a network of peers from across the continent.

### Who can participate?

CCD is for Federation campaign chairs and directors, women's campaign chairs and directors, and endowment chairs and directors. The impact of the mission is magnified when you participate as a team, and we therefore require that both the professional and lay leader attend together.

### How much does the mission cost?

The land cost is \$3,499 per person based on double occupancy (includes a \$1,500 subsidy from JFNA). Single supplement, \$900.

You are responsible for booking and paying for your flight to Tbilisi and from Israel. The Georgian Airlines flight from Tbilisi to Tel Aviv on July 15 is included in the mission cost.

### When does the mission begin and end?

The mission begins in Tbilisi on Monday, July 13, at 3:30 pm, continues in Israel on July 15 and concludes in Israel on the evening of July 20.

JFNA will subsidize the cost of the campaign chair and campaign director of both the General and Women's Campaigns. (A maximum of four subsidies is available per community.) In order to be eligible for the subsidy, recipients **MUST** participate in the full mission. The subsidy is built in to the mission cost.

At the caucus on the final day of the mission, all participants will have the opportunity to make an 2016 Annual Campaign commitment to their local community.

**Will there be an opportunity to visit Partnership 2Ggether communities?**

The time we are spending in Israel is short and there will be no opportunity during the mission for visits to P2G communities. We encourage you to plan a visit to your partnership community as an extension to the mission.
