## Katan Review: Pre-School

Week Six was full of fun! Pee Wee sports specialist Syndi kicked off our week with Dodge ball. During Color Wars and Crazy Hair Day on Wednesday, the campers created their red, white, and blue team songs, followed by over the rainbow pictures in art. The music specialist had them playing instruments outside under the shady trees. They also enjoyed chalk drawing and outdoor playground fun with crawl thru tunnels and games. Swim lessons and free swim ended the week with a big splash! Next week is our last week of camp. We had a blast and it went by way too fast. Have a great weekend and wear your smiles and camp shirts for Camp Appreciation Day on Wednesday!

Bulls-Eye shot off week six. It was sure to make Colors Wars the main target! Camp flags, camp songs, and team spirit were heard throughout the campsite. On Wednesday, Crazy Hair Day exploded with counselors decorating the campers and having fun with spray on hair colors, painted nails, and jewels to make everyone feel a part of their team. In the art area, memory cardboard games were made to take home and play along with family members. In Music the yarn sticks drummed a tune to bang out the week of Camp and Color War fun! On Friday we ended our busy week with yoga in the woods and relaxation techniques..Looking forward to a fantastic week 7!

## Chaverim Happenings: 2-3rd Grade

Week 6 was full of friendly competition and loads of fun! Our annual Maccabiah games kicked off on Monday when the red, white and blue team captains busted out of our snack closet accompanied by streamers, balloons and cheers from all campers. Color War continued throughout the week with exciting activities such as the Apache relay, field events, counselor games and the culminating Zimria. Everyone had an amazing time and the sportsmanship displayed was top notch! Red, white and blue had some unbelievable team spirit and worked really hard to play and work together. Congratulations to the RED team for winning, white and blue both did amazing as well! Next week we have another exciting field trip to Sky Zone, followed by an overnight on Tuesday. PLEASE make sure to return the Sky Zone permission slip by Monday.

## Ruach Report: 4-5th Grade

It's the end of week 6, but there were lots of tricks. We finally got our Color War fix! Red, White, and Blue were hard at play, especially during the Apache relay. Unit time this week was spent making Rice Krispie treats in the symbolizing colors of red, white and blue to kickoff the beginning of the Olympic season! We have one more field trip scheduled next week on Wednesday when we will be going to Sky Zone. All permission slips and waivers will be emailed to you. Please get them in as soon as possible. Don't miss out on our family fun day picnic next week and our end of the season slide show. Look for details and permission form in your email.

## CIT Corner

Color Wars brought tremendous excitement to week 6 for campers, cits, and counselors! Teams RED, WHITE, and BLUE all worked incredibly hard to earn points for their teams in a variety of activities including the Apache relay, gaga tournaments, capture the flag, and pool events. The CITs have earned a well deserved field trip after all of their hard work this summer. Tuesday we will go to Six Flags New England to celebrate a wonderful summer and end our trip back at the JCC for a final overnight to spend time together before our last few days. This summer has been so much fun and I look forward to the opportunity to work with many of our CITs next year as counselors. Our group this year was wonderful , it was a pleasure to watch the group grow together and form tight bonds.
