Ohio is a wine lover's haven. Ohioans have been commercially growing grapes since the early 1800s and today, the state's winemakers continue the tradition of crafting high quality wines.

We explore three of our Lake Erie Shores Wineries including a tour of the **Firelands Winery** where, from the vantage point of the tour balcony you have a clear view of the cellars, bottling room, champagne cellars, and warehouse.

Going east, the **Paper Moon Vineyards** is located on the Vermilion River in the historic harbor town of Vermilion, OH. Less than two miles from Lake Erie, Paper Moon benefits from the moderate climate the lake provides. The varietals currently grown include Chambourcin, Marquette, Noiret, Traminette, and Vidal Blanc.

Continuing on our tour along the lake we will experience **Quarry Hill Winery & Orchard**. This winery has offered a wide variety of **award winning**, estate grown & bottled Vinifera wines, including Ice Wine. They also offer one of the **"best views and scenery" of any winery in Ohio as acknowledged by Ohio Magazine!**

This outing has moderate walking/standing, and could include a few flights of stairs and/or uneven terrain.
